To Whom It May Concern:

I have had the pleasure of knowing and working with Tammy Cardwell for two years. Her eagerness and desire to teach children makes her a wonderful asset on campus and in our district.

Tammy is constantly researching new and innovative approaches to teaching, which encourage students to love reading as well as perform successfully on state mandated testing. She is a dedicated professional who takes the challenges of being a Language Arts instructor and successfully delivers meaningful and effective lessons in her classes.

Tammy would be a great asset in any district, and we are excited to have her work with our students and staff. On a daily basis, she shows a willingness and desire to learn and grow in all aspects of her job. With her professionalism and dedication to her job, I feel confident she will continue to excel in all her future endeavors.

Thank you,
